TECHNICAL DATA SHEET

WAX TRANSPARENT (COLORLESS), WATER FOR PROTECTION AND APPLICATION OVER LIME PAINT

Water base protection wax that leaves a soft finish on the object or surface applied, allowing it to seal, protect and decorate.

The colorless wax serves to protect the surface that has been covered with the Lime Paint Fleur.

It can be used on wood, plaster-wall, alabaster, resin, sheet-paper, painted surfaces, etc. Apply with a clean cloth or brush, removing any excess product, let it dry and polish the surface until the desired finish is obtained.
